Specific child safety responsibilities:

- The Principal is responsible for reviewing and updating the Child Safety Policy every 2 years.
- The Principal is responsible for monitoring the school's compliance with the Child Safety Policy. The school community should approach the Principal if they have any concerns about the school's compliance with the Child Safety Policy.

All prospective volunteers are required to comply with our school's Volunteers Policy.

All prospective volunteers are required to maintain a valid Working with Children Check.

## TRAINING AND SUPERVISION

Training and education is important to ensure that everyone in the school understands that child safety is everyone's responsibility. Our school culture aims for all staff and volunteers (in addition to parents/carers and children) to feel confident and comfortable in coming forward with any allegations or suspicions of child abuse or child safety concerns. We train our staff and volunteers to identify, assess, and minimise risks of child abuse and to detect potential signs of child abuse. This training occurs annually or more often as required.

We also support our staff and volunteers through ongoing supervision to develop their skills to protect children from abuse, to promote the cultural safety of Aboriginal and Torres Strait Islander children and children from linguistically and/or diverse backgrounds, and the safety of children with a disability and vulnerable children.

New employees and volunteers will be inducted into the school, including by being referred to the Child Safety Policy (this document), the Child Safety Code of Conduct, and the Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures on the school website. New employees and volunteers will be provided with hard copies of the policies and procedures and the policies and procedures will be located at the sign in desk. They will also be supervised regularly to ensure they understand our school's commitment to child safety, and that their behaviour towards children is safe and appropriate. All employees of our school will be monitored and assessed via regular performance review to ensure their continuing suitability for child-connected work. Any inappropriate behaviour will be reported by school staff to the Principal and will be managed in accordance with Skipton Primary School's Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures where required.

## REPORTING A CHILD SAFETY CONCERN OR COMPLAINT

Skipton Primary School believes the wellbeing of children and young people is paramount, and is vigilant in ensuring proper risk management processes, found in the school's risk assessment register. The school recognises there are potential risks to children and young people and will take a risk management approach by undertaking preventative measures.

We will identify and mitigate the risks of child abuse in school environments by taking into account the nature of each school environment, the activities expected to be conducted in that environment and the characteristics and needs of all children expected to be present in that environment.

Skipton Primary School monitors and evaluates the effectiveness of the actions it takes to reduce or remove risks to child safety, more information can be found in the school's risk assessment register.

Our school is committed to supporting and encouraging students to use their voice to raise and share their concerns with a trusted adult at any time of need. Students can access information on how to report abuse at school reception.

When the school is gathering information in relation to a complaint about alleged misconduct with or abuse of a child, the school will listen to the complainant's account and take them seriously, check understanding and keep the child (and/or their parents/carers, as appropriate) informed about progress.

The school will promote the Child Safe Standards in ways that are readily accessible, easy to understand, and user-friendly to children, including:
