August		
25 th	Tuesday	Spaghetti Lunch

Principal's Message

In Case You Missed This News

This note was published via Facebook and Compass on Tuesday regarding learning at Skipton Primary School in Term 3.

School Next Week

Good morning all,

I am sure many of you may have seen the announcements from the Premier yesterday affecting Melbourne metropolitan area and Mitchell Shire.

I am writing to confirm that the announcements relating to schools DO NOT impact the operation of schools outside of those nominated areas at this time.

Therefore, school at Skipton Primary School will resume as normal this coming Monday, 13th July. Normal time. Normal place. All students. All teachers. Face-to-face learning.

I will provide further important updates in this Friday's newsletter. Please look out for this.

Stay safe,
Nick

Lunch Orders

Lunch Orders will resume every Wednesday, beginning from the first week of Term 3.

Parent Teacher Conferences

Parent Teacher Conferences will now be conducted via phone conference or video conference. The initial plan was to have these conferences face-to-face, however with the fluid situation in Victoria the school will now conduct these without families being at the school. Conferences will be available, in 20 minute slots on Thursday, 23rd July from 4pm-7pm and Friday, 24th July from

9am-3:40pm. Students will enjoy a day of rotations here at school on that Friday. Normal Library and Science/Sustainability programs will run and will be complemented with a PE session and one other activity.

Conferences are available for booking from Monday, 13th July at 9am and will close Friday, 17th July at 3pm. Please use the Compass tool to make these bookings. If you have any questions regarding the booking process, please call the school and we can support you.

Ongoing Vigilance

It is important that as a community, we remain vigilant to reduce the risk of infection within the school. **School staff** will continue to remain alert to any symptoms (regardless of how minor) within the classroom. **Students** will be reminded and refreshed on the appropriate hand hygiene and other strategies to minimise risk. It is important that **family members and visitors** remain outside of the school buildings at pick-up and drop-off times. I thank all members of the community for your ongoing support in these matters and look forward to a highly productive term of learning.

Nick Keating
