Last Day of Term

Principal's Message

Thank You

Thanking you again for your ongoing support at this tricky time in education. We hope you enjoyed the pack this week. All of the staff here are very grateful for your ongoing support and patience. This week's theme is called *Make a Deal* and all students will go home with a deck of playing cards to support their learning.

On-Site Supervision

I thank families for working with the school to achieve win-win outcomes regarding on-site supervision. A reminder for families whose children are being supervised at school:

- Please send them with their day's work, their pencil case and their gift (this week it's the deck of cards).
- Please send a water bottle along also, as the taps are still only for re-filling.
- Please ensure that any students showing signs of being unwell are kept home.

Students who are attending on-site will be temperature screened in the morning.

If a Student or Family Member has a Test

I ask that if a student, or family member that lives with a student, **has a test** for Covid-19 to please **consider notifying the school**. Whilst this is not a requirement, it would support the school in making informed decisions and making any necessary preparations.

If there is a **positive test** within the household, I would request that the family **contact the school immediately**. The school has an activation plan in place for this situation. It is important for families not to assume that information regarding a positive test will be passed onto the school.

Book Club

Michelle has managed the Book Club here at the school for a number of years. We publicly wish to thank her for this ongoing support of our community. Michelle is looking to hand this role over to another person within the community and if you are interested please reach out to Michelle, Nat or myself in the coming weeks.
