and active and informed citizens”***

Principal's Message

Breakfast Club

This kicked off yesterday morning in the Grade 4 room. The school has established a partnership with Foodbank to provide most Breakfast Club resources for free. For 2020, the Grade 4 team will be administering Breakfast Club every Thursday morning. Moving forward into 2021, we will be seeking parent volunteers to support us with this program.

Transition Program

The Kinder students who are coming to Prep in 2021 are taking part in Story Time with Mrs Britton for the next three weeks. We look forward to building a partnership with those students in the coming weeks.

- Wednesday, 11th November @ 9am
- Wednesday, 18th November @ 9am
- Wednesday, 25th November @ 9am

Some Updates

1. The 5/6 Health program is yet to begin, just due to the availability of the nurse who delivers the program.
2. The 4-6 Identity & Health Day has been pushed back, as it has been planned to happen after the Health program.

Tutoring Funding

The school has attracted some extra funding to employ tutors for 2021. These tutors can be used as the school sees fit to support with missed learning opportunities in 2020, due to school closures and remote learning periods. I will provide further detail about how our school will use this funding early in the new school year.

The Sandpit Promise

For those who may not have seen my Facebook post this morning, I have promised a free lunch to all students who have picked up a shovel and helped out with the sand being moved into the sandpit. I will get the BBQ going and provide a sausage or two for each kid who helped. Please still send you kids with food for the day – I will just provide a small top-up!

Have a great weekend,
Nick
