

## Student Code of Conduct

Skipton Primary School has high expectations of all its students. These high expectations have resulted in a high standard of academic outcomes and excellent behaviour from the students. To continue our high performance, it is expected all children at Skipton Primary School will understand and follow the Skipton Primary School's Code of Conduct. The following is a summary of our behaviour code. After reading it, please discuss it with your child. It will also be discussed in all classes. Please sign and return the agreement to school.

At Skipton Primary School all students have rights and responsibilities that relate to the school values.

The following are a student's rights at Skipton Primary School:

- The right to learn, and play in a safe, secure, stimulating and positive environment,
- The right to be respected and valued,
- The right to express ideas and opinions in a positive way, and to be listened to, and
- The right to have fair access to school resources.

With these rights also come responsibilities, these are

- To act responsibly and work to the best of your ability,
- To respect the rights of others,
- To be cooperative and considerate, and
- To share and care for resources.

These rights and responsibilities are developed in conjunction with the School Values

- Lead and Achieve
- Be Responsible
- Be Respectful and Caring
- Be Healthy

Your child's class teacher will spend time working with the class to describe these values further. Children will also discuss consequences for not following these rights, responsibilities and values. Teachers will also spend time discussing how children might deal with problems that may occur, e.g. speaking to a trusted adult such as a parent.

If a student does not follow school expectations, then consequences will apply. A child may be reminded about the school values and expectations, they may also be warned or there might be a consequence.

Skipton Primary School has a proud history of being an outstanding school and our students are fortunate to be able to continue our tradition. After reading this agreement and discussing it with your child, please sign below, and return to school.

***I have discussed the Student Code of Conduct with my child and I believe my child will do his/her best to follow the School's Code of Conduct. I have also reinforced the need to speak with a trusted adult, (e.g. parent or teacher) to seek advice on how to deal with a problem.***
